

NOVEMBER 1 & 1 , 202

Dear Monterey Neighbor:

The 18th Presentation of the **Monterey Bay Half Marathon** (formerly called the Big Sur Half Marathon on Monterey Bay) is coming to town on Sunday, November 12, 2023 through Downtown Monterey and along the scenic waterfront from Monterey to Pacific Grove. On Saturday morning, November 11, we'll also be featuring our successful fun runs, the **Pacific Grove Lighthouse 5K** and our **By-the-Bay 3K** on a beautiful waterfront-only route from Lovers Point to Pt. Pinos in Pacific Grove.

On the third page of this document you'll find a map of the race route through Monterey. Below we have included parking restrictions and street closure times during the morning hours of race weekend. This information and a full course map including the Pacific Grove section, can also be found on our website, [www.montereybayhalfmarathon.org](http://www.montereybayhalfmarathon.org).

Each year we work closely with City of Monterey staff and public safety to minimize any inconvenience these events may impose on our residents. We hope race weekend is an exciting and enjoyable experience for participants and spectators alike. We encourage you to come cheer on the runners and listen to the variety of musical groups we have placed along the course to help inspire our runners to perform their best. We also welcome your participation in our Saturday shorter distance fun runs.

We appreciate your cooperation, patience, and understanding. This event is organized by the nonprofit Big Sur Marathon Foundation. We work hard to execute successful events so that we can give back to charities in the community. Each year, the Big Sur Marathon Foundation donates roughly \$350,000 in grants to local nonprofit organizations. If you have any questions or need further information, please call the Big Sur Marathon Foundation office at 831-625-6226.

Sincerely,  
*The Board & Staff of the Big Sur Marathon Foundation*
